

Specimen Carp Rules

- You must have a valid rod licence to fish anywhere onsite
- You may only fish from designated swims
- You must be in possession of a suitable padded unhooking mat.
- Please park sensibly and when wet weather do not park on the grass
- No reserving swims via any means
- Micro Barbed hooks preferred Size 2 Maximum
- Carp Sacks are not allowed. Floating Retention Slings are permitted to retain fish for up to 15 mins whilst unhooking mats , scales and cameras are prepared.
- No standing up holding carp for any reason
- Permanent fixed leads are not allowed
- No transferring fish between lakes
- BBQ's allowed but must be raised from the ground, not permitted on wooden stages and must be cleared up after use . Do not use BBQ's on wooden platforms. (At certain times due to high temperatures they may be restricted)
- You must have the necessary licences if you choose to fish 3 rods.No drones allowed
- No littering at any time. This includes cigarette butts. If litter is found in your peg you will be asked to leave the fishery.
- All rods whilst in the water (fishing) must be attended
- Prepared Nuts/Pulses are allowed but must be purchased on site at the tackle shop and should be used in moderation.
- No OMC Wand or Twig allowed.
- Baitboats must be used sensibly and are to be used only to deliver bait, hookbaits and if using sonar tech only to recce your swim. You may recce other swims when not in use.
- Please respect all other users of Billingford Lakes and Country Park. Abuse will not be tolerated and you will be asked to leave.
- No vehicle engines to run overnight.
- All musical devices to be used at a reasonable level. No swimming permitted
- Dogs MUST be on a lead or tether at all times.
